The yearbook staff hopes that the 1997 yearbook reflects the spirit, friendships, cooperation, and hard work that personifies Marine City High School's students and staff.

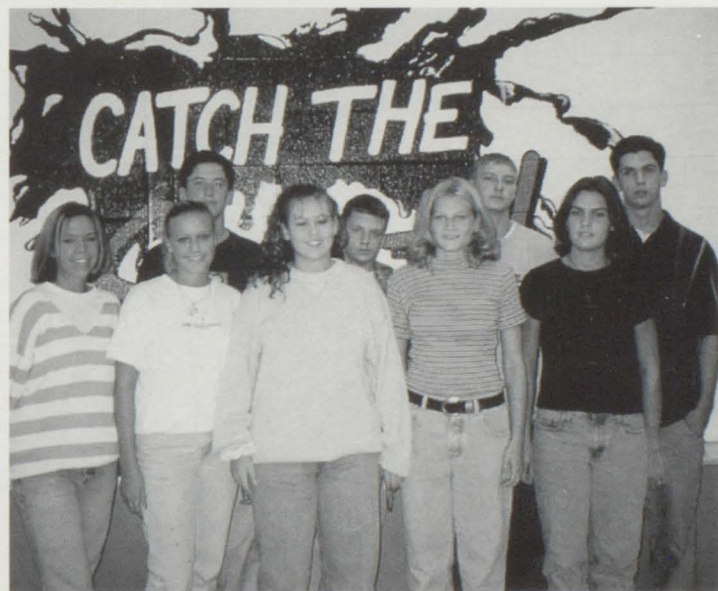

As you read, we hope that you remember the experiences shared at M.C.H.S.. These memories evoke strong feelings within you and these same feelings are reflected in both your personality and the way you live.

It is our wish that in the years to come the memories in this book will serve as a window to the past. When we look at our reflections in the mirror, we see not only who we are, but the people we've been, and the adults we will soon become. In the same way, with this yearbook, we give you a reflection of your past, present, and your dreams of the future.

Powder Puff

The Unstoppable Juniors

At the annual Powder Puff game, on September 25, the Juniors were victorious over the Seniors. Spirits were high before the game and both teams were trying to out do the other in one way or another, whether it be by face designs or by grand entrances. Both teams were enthusiastic about the game and they both played well. The game went into overtime and the Juniors won 14 to 8. Kim Kammer made the touchdown for the Seniors and Beth Tranchemortagne made the safety. Krista Hagedon made both touchdowns

for the Juniors. In overtime after Krista made a touchdown, all of the Junior girls swarmed onto to field cheering, but there was one problem, the game was not over yet. Still, the Juniors ended up winning despite the little embarrassment. It was a great game and we hope to see the same next year.

Bonfire

A Spark in the Dark

In the beginning cavemen never knew about electricity. Therefore, they never had the convenience of the modern light bulb. They loved playing football and sometimes it was pitch black by the time they were done playing. This caused some trouble because they were playing with 50 pound rocks and they were not very comfortable to get hit with when a person did not see it coming. They decided to use

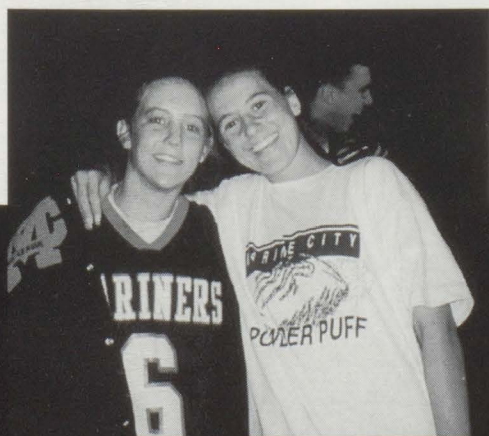

what is now called the bonfire to create light. In modern times we use the bonfire to have fun after the Powder Puff football game and this is what a few kids have said about this modern bonfire: Kathy Bork: "The bonfire was pretty awesome but it should of been longer and have more activities."

Corey Desrosiers: "The fire was hot but it didn't last long. It was neat when they first lit it because it was real big."

Corinne Middel: "It was really fun but the teachers made you leave before the fire was even out."

LET THE GAMES BEGIN

This year's Homecoming Pep Assembly was excellent. Everything turned out great! The crowning of the court was the most special event of the assembly. All of the girls looked beautiful in their dresses, and all of the guys looked very handsome. There were a lot of events played this year, some new and some old. The assembly ties in the whole spirit week. All of the classes compete with each other and at the end of the week we have the assembly and play games to determine the winner of the week. Some of the events were Fantasy Football, the tug of war (which the Juniors won), clothes race, pie eating contest, and the yelling contest to determine which grade has the most spirit. The Seniors came in first place, the Juniors were second, Sophomores were

third, and the Freshmen came in fourth. All in all the Homecoming Pep Assembly came out very nicely. It is a great way to end the Homecoming Spirit Week and a great way to start the Homecoming weekend! Thanks to all of the hard work that everyone did, it was worth it! Congratulations to the King, Queen and their Court!

Spirit Week

Spirit Week is the week in which the classes show which grade has the most spirit. Students show their spirit by participating in the different days. Monday- Red, White and Blue Day, Tuesday- Button Day, Wednesday- Stuffed Animal Day, Thursday- Senior Toga/ Class Colors Day, and Friday was Orange and Black Day. The grades have a chance to gain more points when they compete

in games during the Homecoming Assembly which is held Friday. This year's Spirit Week was won by the Seniors.

A big part of Spirit Week is the building of the class floats. Throughout Spirit Week students gather at houses to construct their class floats which will ride in the Homecoming Parade Friday afternoon. The floats are judged at the Homecoming game and the winner is announced during half-time. Spirit Week is one of the busiest times for many students and teachers. Building floats, participating in the different Spirit Days, the assembly, the parade, the Homecoming game on Friday and the Dance on Saturday. Although this week is very busy Homecoming's Spirit Week is also one of the most fun.

Homecoming Game

Mariners Claim Victory

Homecoming. The time that students at M.C.H.S. show their spirit and support their school, and it showed at the homecoming game. The excitement of the crowd was high. The players were ready, the coaches were ready. The homecoming game began and what a game it turned out to be for the varsity football team. Kyle Zimmerman threw two touchdown passes, one to Jeff Bradley and one to Steve Pauli. Brent Osterland scored on a 25 yard run and rushed for 125 yards for the night. Joe Martin kicked three extra points and one 26 yard field goal. The defense played an excel-

lent game and were led by Steve Pauli, Larry Vantiem, and Scott Kade. Pat Phelan also had two interceptions for the night. The final score of 24 - 9 gave Marine City victory over Richmond. The varsity football team's victory at the game satisfied the crowd's hunger for a win and showed everyone what they're made of. It was a great game for the team as they continued on their journey to victory.

1ST. Place Float

Seniors Sweep 'Em!

Congratulations to the senior class on winning the float competition! The float swept the competition with it's awesome movements and great light effects. A big thanks goes out to all of the students who participated and, especially, the loyal parents for their dedication. The senior students spent many tiring hours perfecting the float while

trying to finish homework and study for tests! The class advisor, Mrs. Burmann, also participated in completing the float, as well as giving calculus lessons at the same time!! Another thank you goes out to the Nichols family for hosting the class of 1997's float building for three consecutive years!!

The long hours of building and stuffing the float paid off and the final result was one of the best floats yet!! And just as the floats's slogan predicted, the Mariners swept the Devils with the POWER of MC!!!!

2ND. Place Float

2000 Flushes

First time float builders take second place with their larger than life toilet. A lot of hard work took place in the Reichles garage. Many showed up, and a good time was had by all. Maybe too much fun for Heather Kammer who got to sit on the toilet back for two days trying to complete the project. Their final product well followed the theme of commercials by using a toilet deodorizers "2000 flushes". In

every way this float deserved second place. Congratulations to the class of 2000.

Juniors and Sophomores

3rd and 4th Place Floats

The Juniors put forth a great effort in building the float this year. The Juniors took third place in the float competition—it was also their third year competing in the float building. Many hours and much effort went into making this years float building a scoop above the rest! The Juniors worked hard on the float to keep the tradition of the

float building alive. Everyone had fun working on the float for the parade. Coming up with a theme for the float was half the battle. Good luck next year Juniors! The Sophomores took fourth place in the float competition. It was only their second year competing in the competition. The Sophomores spent many hours working on their float. They got a late start, but things turned out great just the same. Even with the shortage of time and people the float was spectacular. Great job Sophomores and better luck next year.

The homecoming dance 1996 was a huge success, with it's theme commercials. The gym was decorated in bright colors, with lots of balloons. There were over 600 people who attended the dance. All seemed to be in a mood to dance, the dance floor was packed. Even some strange visitors even joined us on the dance floor, dressed in monkey suites. The visitors soon left and the rest of the night was danced away. Homecoming 96' will never be forgotten.

This years prom theme was Into The Night, and oh what a night it was. The hall looked beautiful after all the work it took to prepare for this event. The Prom King was Ryan VanTiem and Queen was Kristine Wambach. Everyone was dressed up and looked stunning.

There was a new item to this year's Prom, it was the Memory Book, if it was purchased. The memory book consisted of all the students who purchased a picture at the Prom, and some pictures that the photographer took. Also the K of C hall was all redone and it looked fabulous. It was a spectacular night and there will be many more to come.

Jobs

A Penny in the Bank

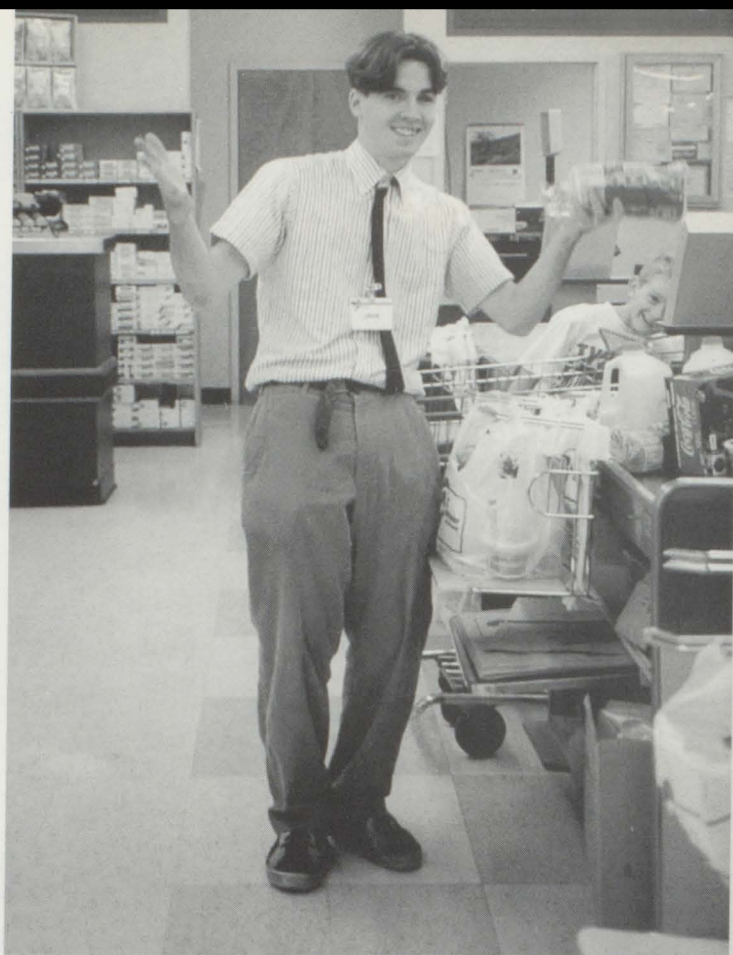

What to do, what to do. It's only halfway through the week and you are already broke. Your piggy bank is so hungry for some money it died from starvation and your parents won't give you one cent. You're so desperate that you asked all your friends to lend you some money, but you still haven't paid them back from last time. You've been backed into a corner and there is only one way out. It may not be safe, but you can do it. The day has come for you to get a job. The idea may seem scary, but people do it everyday. As unpleasant as the idea of getting a job sounds, a job can teach you things that you can use in the future. Just think of the things you'll be able to learn, besides the fact that a loaf of bread WILL become a pan-

cake if you put a jug of milk on it. With a job you will learn valuable skills and the responsibilities we all try to avoid as long as possible. The work may seem to go on forever, but just think of the fun you'll have with your hard - earned money!!!

Hobbies

Keeping Outta Trouble

Students at Marine City High School participate in many activities outside of school. They do various things from dancing to riding horses. Speaking of riding horses the Equestrian team won at districts and they placed 13th in their state finals. Students do other things that have to do with school but are

not considered to be a sport or anything. So if you don't have a hobby or maybe by looking at some of these photos will help you find the hobby of your dreams or maybe just something that looks fun and attractive to you. So get out there and find yourself a hobby and keep outta trouble.

Voter's Choice

This year was the year of choice for the M.C.H.S students. This year elected a new president. All students took part in the elections as well as the staff. Even if the students weren't old enough to take part in the town voting, all of the students were allowed to vote for president here at the school. The whole school did a lot of activities that tied in with the theme of voting. One of the biggest events was the convention. Each student was issued a voting card. This allowed them to vote confidentially for the president of their

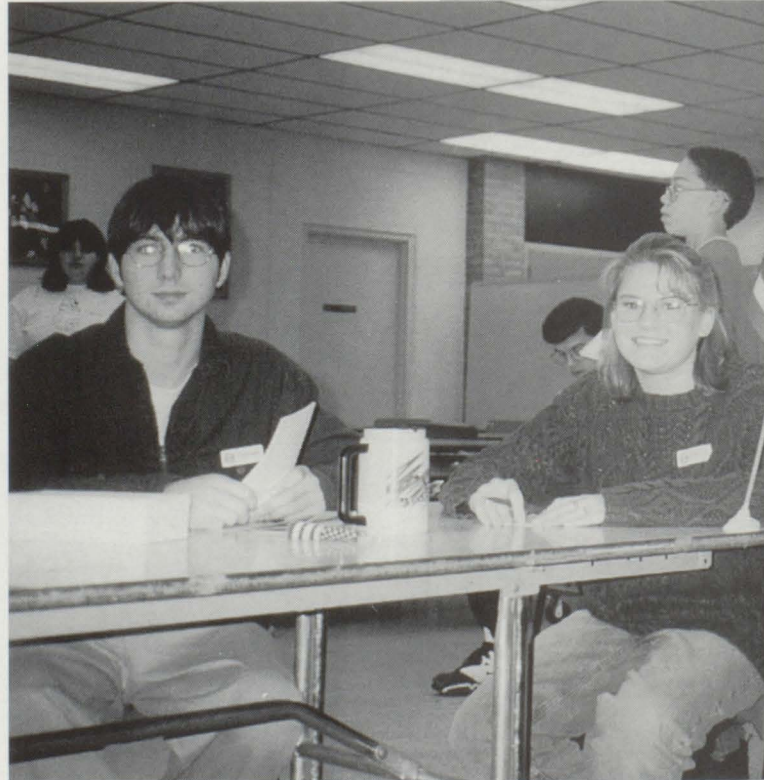

choice as well as other issues that the rest of the nation was voting on. Also, the students were allowed to vote on the issue of the attendance policy. This was an important thing for the students who thought this was a worthwhile issue.

The voter turnout was great! There were a lot of students who cared about all of the issues that were being decided. All of the students took the voting of the attendance policy very seriously. This was the first time that the students of Marine City High School were able to vote on an issue that directly affected them. The day of the election the school held a convention for the entire student body. The election results were announced as the students cheered and confetti and homeroom placards waved in the air.

WINTERFEST SPIRIT WEEK

Catching the Spirit

Everyone can't wait for the hot summer sun. This year's spirit week was pulled off by many students who participated in many fun events. This is the time of year when different classes compete to prove who prevail. This year the seniors dominated the school. Then followed the juniors in second place. Next was the sophomores in third, and the freshman came behind in fourth place. Monday was warm-up day. Tuesday was summer tropical clothes day. Wednesday was hat day. Students were required to pay \$1.00 if they wished to wear a hat. In

the spirit of philanthropy, the money was donated to the local soup kitchen. Thursday was Clash Day. Friday was MC Apparel Day. This year's 1997 Winterfest Spirit Week was a great success. Let's hope that next year is even better!

Winterfest Dance

Love Through the Centuries

Ah! It's Friday! That wonderful time to relax and have some fun. Speaking of fun, tomorrow is the winterfest dance! Now you bought your ticket, right? Of course you did because you are ready to have some major fun! It's time to PARTY!!!

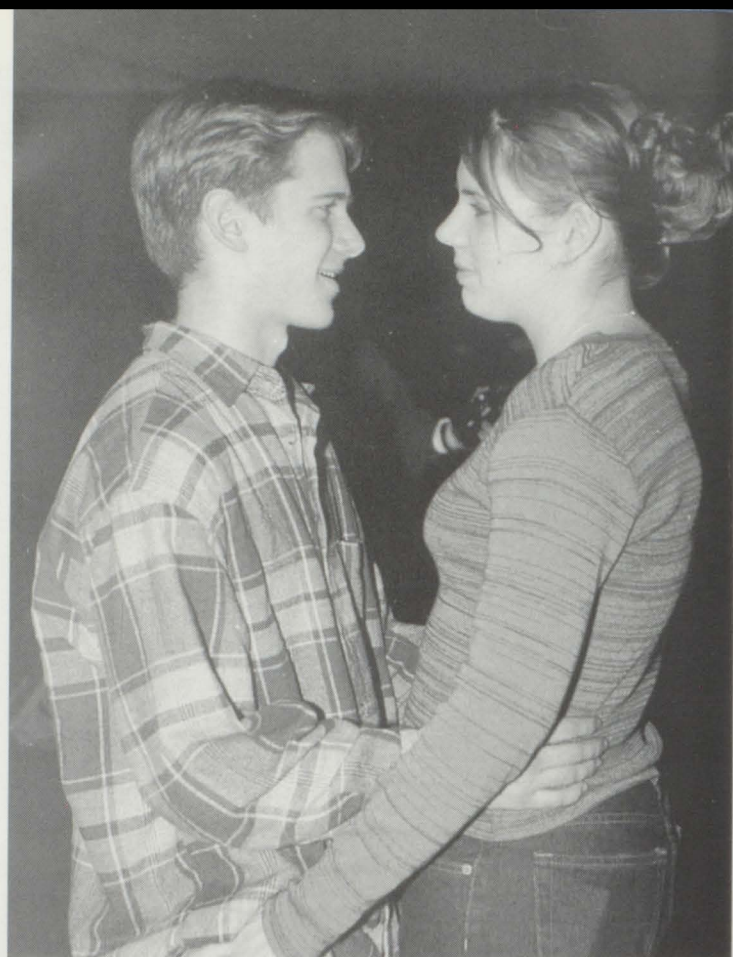

Well, that is exactly what this year's winterfest dance was F - U - N, FUN! The winterfest dance was preceded by a fun-filled pep assembly that got everyone excited and ready for the dance. The dance took place on Saturday, February 15, the day after Valentine's Day. The winterfest dance's theme this year was "Love Through the Centuries."

Students came with their friends, a special guest, or that someone special with one thing in mind, to break loose and just have a great

time. There were no worries. Students came and danced till they could not dance one more step. The students came to have fun and enjoy themselves, and that is exactly what they did.

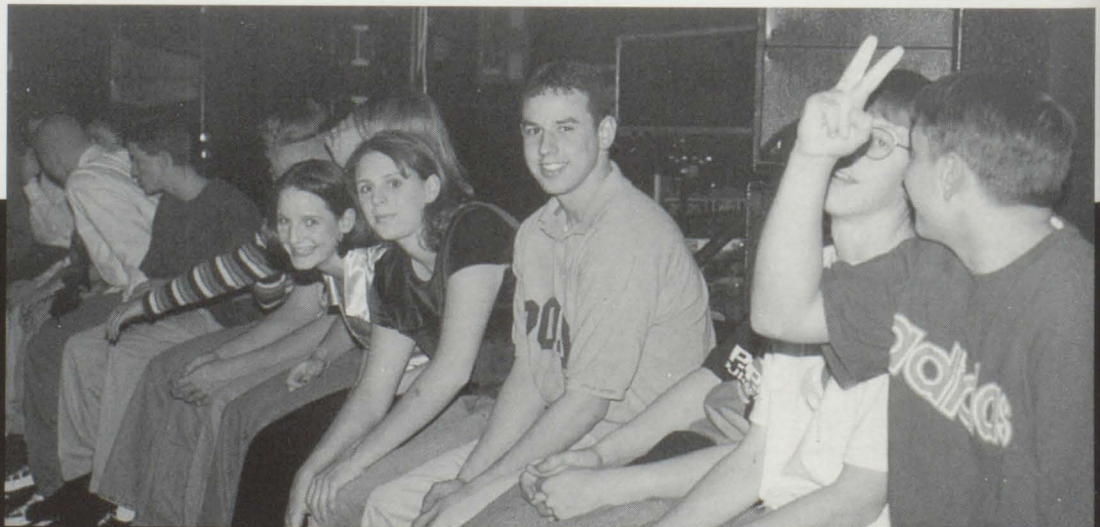

No worries and great music. What better combination could there be?

If you were unable to attend, well don't worry. There is always next year to let your hair down!

FASHION SHOW

UNDER THE SEA

Marine City High School's Cheerleaders dove into a spectacular event again this year. Every year the Varsity Cheerleaders sponsor a fashion show to raise money. The 1995-96 fashion show was designed to follow the theme of Disney's "The Little Mermaid". Some of the entertainment included dances, duets, door prizes, the display of gowns and tuxedos, and most of all . . . skits done from the scenes of The Little Mermaid.

The cast was composed by Wendy Ameal, Sarena Pace, Angie Soltys, Julie Burt, Meredith Schoen, Matt Becker, Jon Cottrell, Ryan Van Tiem, and Marcus Sadlowski. Many other M.C.H.S. students participated in

the fashion show from modeling to lights and sound. We also have parents and teachers that get involved too. They helped out a lot from doing curtains to helping the students dress. The fashion show is always known for being a fun-filled event for everyone to participate in.

With everyone's teamwork and dedication, we hope that the next fashion show will turn out to be a great success. Good Job Cheerleaders! You helped to make a huge SPLASH!

SADD

Marine City's SADD chapter has been working hard this year, with noticeable improvements. Much of this new attitude is do to new officers and co. chairmen Mrs. Allagreen and Mr. Parsons. The officers include Heather Ashbaugh President, Jodi Zaunner V.President, Raquel Ladensack Secretary, Erin Babcock P.R., and Lindsay Wambach Treasure. SADD members have appeared in the Homecoming and Christmas parade handing out ribbons. Prom is also a major focus for SADD more is going to be done to spread the word drinking and driving kills. Yearbook Staff

Reflecting Time ...

The yearbook staff is a unique organization. In September, a group of people come together to create a piece of history. The staff is faced with 200 blank pages on which they must form a Marine City High School memoir. The 1997 staff was also faced with a new challenge. Computers. The "Reflections" book is the first to be put together totally on computer. The staff was inexperienced with the program, but were patient and, by the end of the year, overcame this obstacle. The entire 1997 staff would like to thank their advisor, Mr. Bladow, for his guidance, Erin Babcock, editor, and Andrea Gold, business manager, for their leadership. The yearbook team hopes that something in the 1997 book "reflects" a part of each student's life.

2nd year Senior Staffers

EDITOR- ERIN BABCOCK

Yearbook has been one of the most memorable experiences I've ever had. I was very uncertain about my first year, but I was taught many things that gave me the courage to continue with it. Being Editor and part of the yearbook staffs has taught me organization, leadership, teamwork, and responsibility. I would like to thank our advisor who has always had faith in us. Good luck to next year's staff!

BUSINESS MANAGER- ANDREA GOLD

As a member of both 1996 and 1997 yearbook staffs, I have been privileged to work with a great advisor and two wonderful teams. My role as business manager has taught me dedication, leadership, as well as teamwork. Yearbook is a unique experience in that we must work together to create a book that the entire school can enjoy. I am grateful for this opportunity. Best wishes to all future staff!

STAFFER- KRISTIN TYSZKIEWICZ

Yearbook is truly different than any other class I've had. Each year a group of people who aren't exactly sure of who the staff is going to be, join together to turn 200 or so blank pages into a keepsake. In my two years, I have been fortunate enough to work with devoted and imaginative people who work hard to create something we can all be proud of. I'm happy to say I was part of the '96 and '97 staffs. The memories will stay with me forever.

STAFFER- RAQUEL LADENSACK

Being in yearbook has been an interesting experience. I'd have to say that my favorite part of yearbook has been working with everybody and the friends you make. Thanks to everyone who put a lot of work into this and last year's books, it showed.

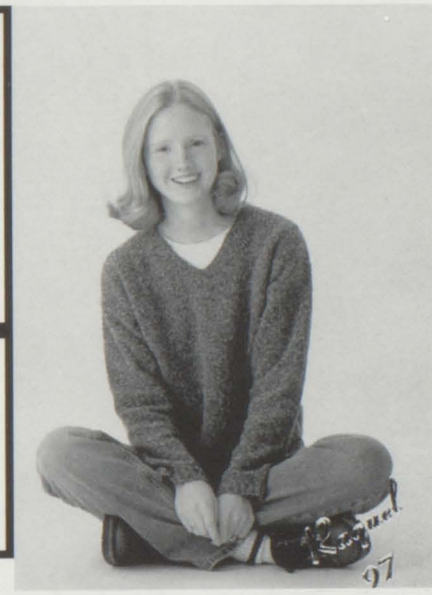

STAFFER- LISA GUTT

Being on the yearbook staff for two years was a very good experience for me. It has taught me how to be responsible, to create new ideas, and to work as a team. The one thing I'll miss most about yearbook is all the people on the staff. I'll miss you all, you guys are the best.

STAFFER- CORINN CLARK

Being a member of the '96 and '97 yearbook staff has been fun, yet very stressful during deadline time. Our books have been creative thanks to a great advisor, Mr. Bladow. This year our editor and business manager have done a great job, teaching the new staffers, and keeping everyone on track. Thanks to everyone who put their time and effort in to making a great book. Good luck on the '98 yearbook!

Student Government

Student government has been working exceptionally hard this year. Once again they helped with the blood drive and received terrific results. They raised 2,400 dollars for the American Cancer Society with quarters for cancer and donated money to the Old News Boys to help them at Christmas time. They also sponsored another wonderful Homecoming. Keep up the good work!!

CLASS OFFICERS

Marine City High School's class officers are the leaders of tomorrow. Every M.C.H.S. student votes for someone who will do a good job in representing their class. It is important to have strong leadership skills in order to be a class officer.

The Senior Class Officers include Nathan Burmann (Pres.), Sarah Shull (V.Pres.), Renaye Jurczak (Sec.), and Michelle Cross (Tres.). Already the seniors get ready to choose the class song, motto, and flower. They also order senior class shirts and order graduation announcements.

The Junior Class Officers include Phil Biscorner (Pres.), Krissi Biebuyck (V. Pres.), Susan Figlak (Sec.), and Megan Phelan (Tres.). The juniors organize the Powder Puff Game, do a rock-a-thon, put together a junior/senior prom, and they get to be hoop girls for graduation.

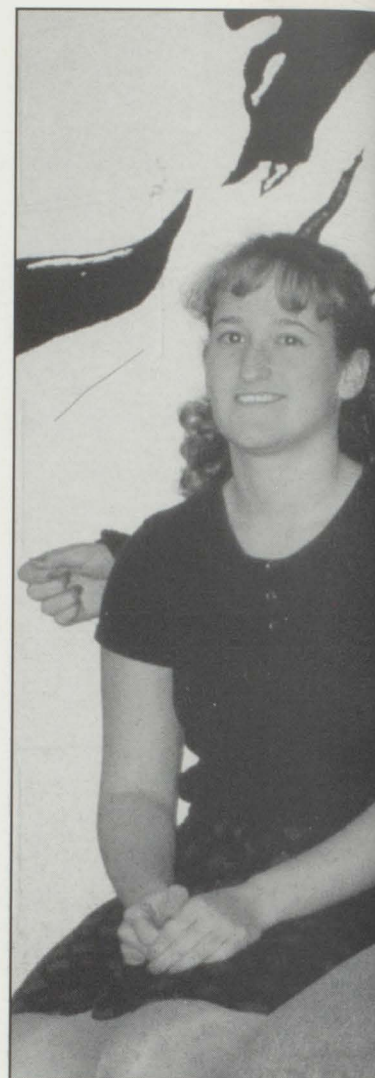

The Leaders of Tomorrow!

The Sophomore Class Officers include Ryan Ruttan (Pres.), Sooney Kadouh (V. Pres.), Keith Zimmerman (Sec.), and Brian Stevens (Tres.). So far, the sophomores helped decorate for the homecoming dance, plan a charity basketball game, and sell "number one" hands at basketball games.

The freshman Class Officers include Kraig Wilkie (Pres.), Kelly Nichols (V. Pres.), Julie Smith (Sec.), and Mariam Kadouh (Tres.). The freshmen begin high school by helping to decorate for the homecoming and set up fundraisers for the future.

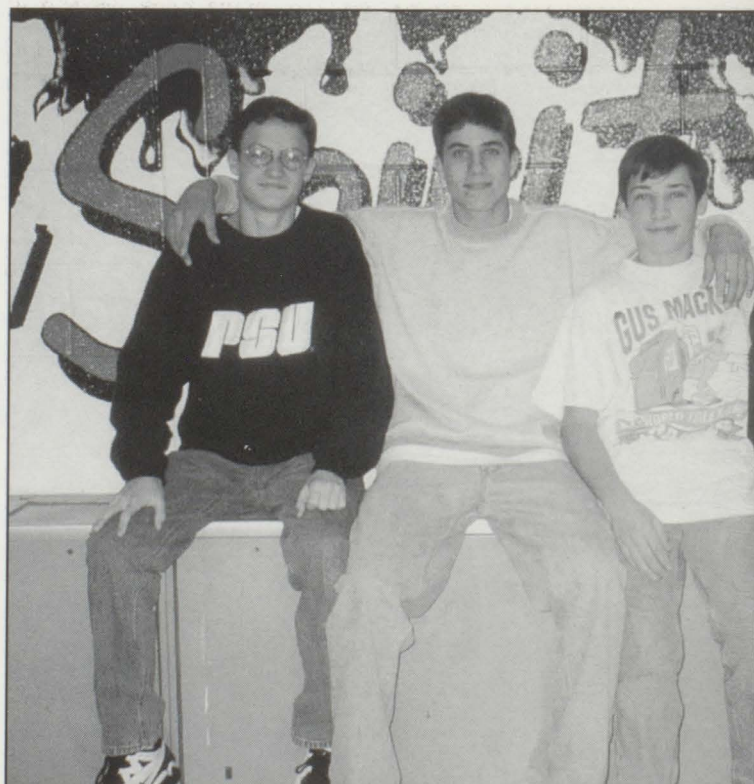

As you can see, these sixteen students are ahead of the class to help make your future high school experiences a memorable one.

National Honor Society

National Honor Society is an organization in which students are selected for membership based on their G.P.A. and activeness in extracurricular activities. This year there are 58 students in N.H.S. Also, this year N.H.S. had a new advisor, Mrs. Cathy Mollan, who has kept everyone very busy! Each member is required to serve on three or more projects during the year and also the Christmas can drive. This year N.H.S. adopted Mallards Landing, a senior citizens retirement home. Projects that members are working on include: A different group of students each month work on Table Centerpieces which are sent to Mallards Landing. Also, each month a different group writes birthday cards to the residents of Mallards Landing. During parent-teacher conferences N.H.S. held a turkey raffle in which two lucky

A Helping Hand

people won turkeys for Thanksgiving (donated by VG's). A can drive was held around Christmas time in which the students competed against staff to see who could bring in the most cans. Also around Christmas they sent Santa letters to students at Palms Elementary. Around Prom (May) students are having a Prom Show at Mallards Landing. In February N.H.S. sold Valentine suckers in the shape of lips. Around Easter they sold homemade chocolate easter suckers and candy which is a good fundraiser and one year made a profit of \$300! Students run the concession stand during basketball season. And several times a year students bake cookies for Mallards Landing. Thank You to all the N.H.S. members for all their service to the community.

Guys and Dolls

Guys and Dolls swept through Marine City like wild fire. The plays uplifting songs and crazy comics made the play a great success. The play was directed by the Mrs. Bell, Mr. VanDyke, and Mr. Decker who saw the play from start to finish. Nathan Hauke and Krissie Bieback added the comic relief and made the play run smoothly. Freshmen lead Fawn Armstrong did a great job of filling some big shoes, and was a added plus to the production. The production Guys and Dolls was one for the record books and will never be forgotten.

Danielle Driver has been in drama for two years. She enjoys the hard work the play demands, and the meeting new cast members. She says that she is waiting for next year to start.

Pat Runyon is working on his second of drama and looking forward to his third. His favorite part of drama is working with new people to make a great play. He was the male lead who had a lot of work to do. In the end his work paid off.

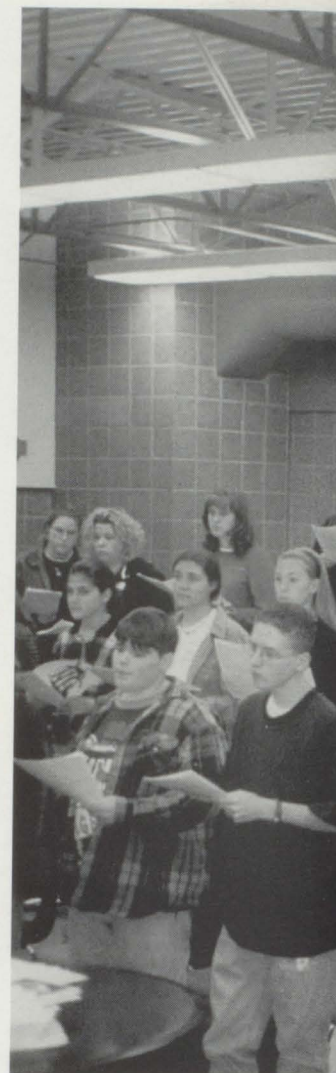

Concert Choir

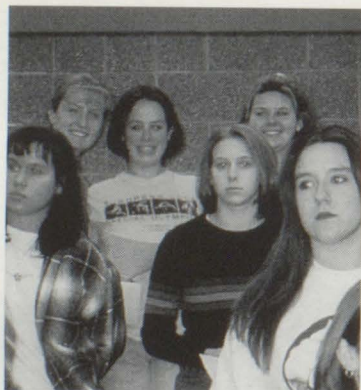

This year's Concert Choir sang their way to the top. The Choir as a whole did an exceptional job as well as a few of the other students that were invited to New York this year to sing. This is a great achievement for the students of M.C.H.S. There are a lot of students involved in the choir this year. The choir consisted of 17 guys and 37 girls. Mr. Vandyke did an excellent job conducting the choir and helping them to sing to the highest of their abilities. The students in the choir work very hard and some of the students come in before school for extra practice which says alot about the choir. Just from seeing the choir students wake up early for extra practice shows that they really care about the class and the quality and sound of the choir. The students in the choir are Matthew Acre, Joseph Agosta, Cynthia Allen,

Fawn Armstong, Amanda Barnowski, Susan Bassham, Aaron Benedict, Kristina Benson, Jennifer Bryant, Elaine Bruzuszek, Kara Gill, Denny Gorczyca, Brian Herbon, Lisa Hoppe, Holly Hurlburt, Kirk Hurlburt, Lisa Jelsone, Christine Johnson, Lori Kaufman,

Band

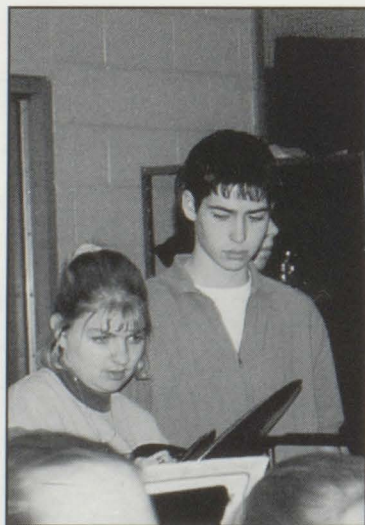

This year the band started work early, as usual, at Michigan State's band camp. Camp is usually in the first weeks of August and is a week long. This year was a mile stone for campers and crew because at the end of the week they had finished three of their four songs. This has never been done at camp before. The colorguard had some firsts this year too. The whole team attended a camp before band camp. With all the hard work the band had done it finally showed at home football games. When marching season is over concert season starts. The band will compete in a MSBOA competition later this year. Good Luck band! Members include: Melissa Acre, Leslie Alsheimer, Amanda Barnowski, Brandy Basney, Kate Beaufait, Laura Bramlett, Nathaniel Burmann, Jenee' Burns, Adam Busuttil, Tashina Cavaosoz, Rachel Cole, Melissa Collier, Jason Copp, Rebekka Corey, Adam Coverdill, Christopher Delor, April DeMist, Dawn DeMist, Danielle Driver, Nicole Driver, Jason Duetsch, Adam Dziedzic, Billie Rae Emery,

Treble Choir

This year the Treble Choir was made up of over 40 people, who all put forth a great effort using their voices. With the help of Mr. VanDyke their teacher the choir did a great job! Keep up the good work and keep working on your voices.

The choir members are: Sandy Acre, Tiffany Bell, Amanda Bielec, Charity Bradley, Valerie Brenner, Melissa Cartwright, Ashley Cohoon, Melissa Collier, Mary Decaussin, Nina Duchene, Samantha Duchene, Jennifer Dudas, Amy Frantz, Starr Fritz, Harmony Hupcik, Michelle Johnson, Andrea Joyce, Crystal Kammer, Sarah Kargula, Holly Koehn, Angela Landrum, Melissa Lozowski, Amanda Marcotte, April Mayhew, Amber Mckenzie, Abbie Meldrum, Tina Menkel, Renee Miano, Megan Mills, Serry Mrowiec, Amanda Orsie, Angela Pizzo, Evelyn Preston, Julie Reichle, Amy Roosen, Christina Rotarius, Kristen Shaw, Penny Sheldon, Melinda Sherman, Brenda Smith, Rebecca Smith, Amy Thompson, Amber Wilkinson, Bobbie Williams, Dawn Yochum

Quiz Bowl

The 1996-1997 quiz bowl team is under way and hoping to bring home lots of victories. They study long and hard to answer all the questions correctly. Most of the freshmen and sophomore quiz bowl team members are on J.V. while the Varsity team is made up of mainly juniors and seniors. The J.V. team is lead by Mrs. McCartan and they seem be starting off the year well. The Varsity team is lead by Mr. Homberg and they are working hard to impress him again this year.

This year the Varsity quiz bowl team consists of:

Melissa Acre, Justin Beal, Robert Browning, Brian Herbon, Christopher Radomski, Debra Ratliff, Corey Strunk

This year the J.V. team is made up of :

Claudia Berens, Juan Pablo Romero,

Advisor of the Marine City High School quiz bowl team is Mr. Homberg and Mrs. McCartan. Mr. Homberg does not sweat it, he's done this before. Mrs. McCartan just wants to enjoy the experience.

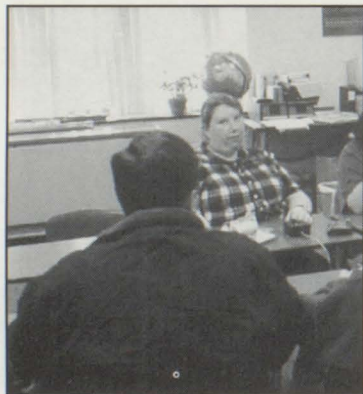

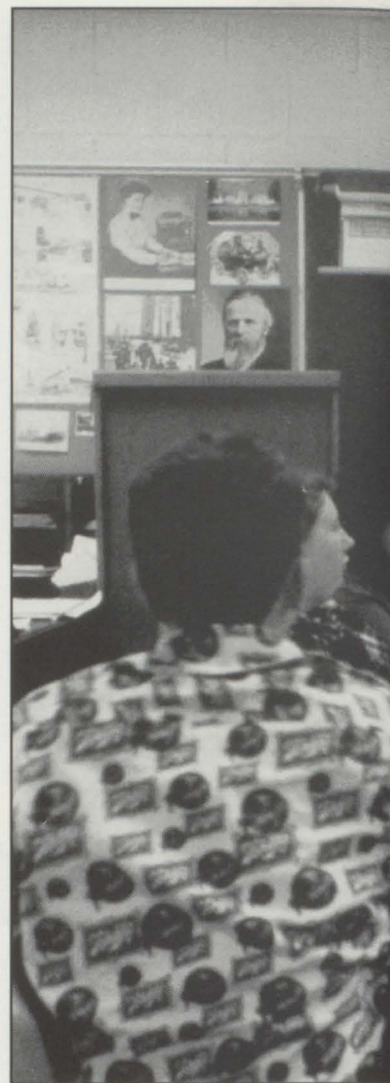

Ryan Ruttan, Cattelya Thongrong, Nick Tipper

Being that this year is a first for some quiz bowl members this makes it kind of hard. Some of the J.V. members are our foreign exchange students. They all try their very best and put forth great team work.

The varsity team doesn't even sweat it. For most of them they have done this before and having no problem answering the questions. Sometimes they get stumped but manage to think of a logical answer that at least pertains to the question.

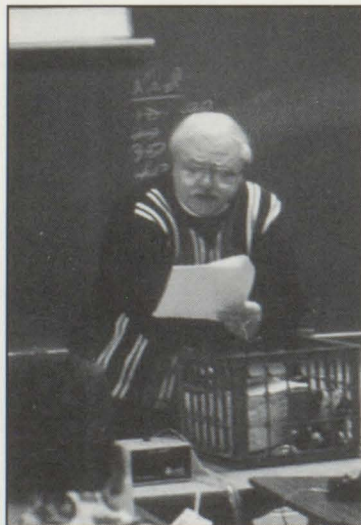

The questions asked can range from sports to history and just anything else that is logical. The team has to use logic and have to really work their brains to get the right answers. Good luck MC quiz bowl team.

The Varsity team paying close attention to the what Mr. Homberg is saying. The question first then the answer. Can they get it right?

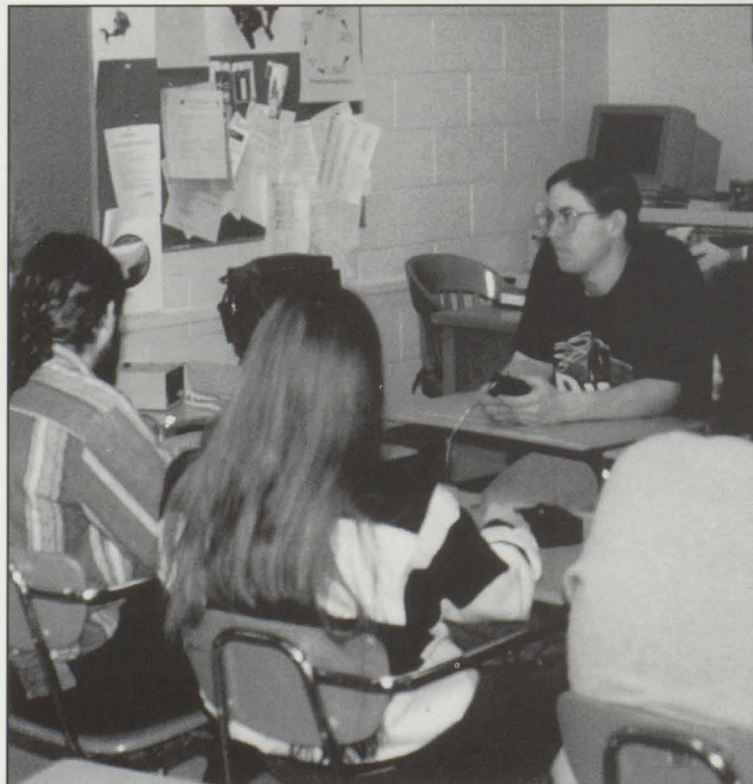

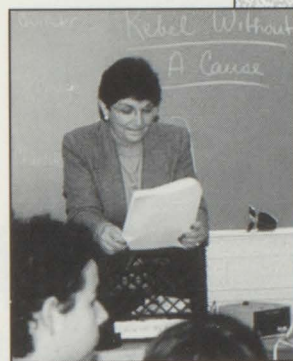

Above: Debra Ratliff taking a breather from all that hard thinking. As she listens to the question.

Above right: Mr. Homberg administrating the question.

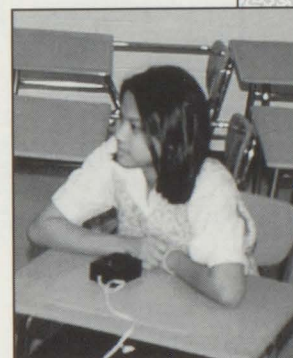

Michael Shaw putting his mind to work to come up with a good answer. The JV quiz bowl team is always hard at work.

Mrs. McCartan is very excited to be heading up the JV quiz bowl team. She is administering hard questions to really make them rack their brains.

Cattelya Thongrong is from Thailand and is so glad she can participate on quiz bowl. Here in this picture she is trying to think of the answer for the question.

B.P.A.

B.P.A. stands for Business Professionals of America. B.P.A. teaches students about business and other management concepts. All students in B.P.A. participate in competition which in result could let them go to state. If they win at state level they could get to go on to the national level.

This year we had many winners that get to go to states and also we had many honorable mentions. The members all got a chance to look at their results from regionals.

BPA's advisor is Mrs. Webb

The BPA officers are:

A head start

Have you ever wondered why there are people always waiting at the front doors before school and at lunch? Or maybe you already know why. Some Juniors and Seniors from M.C.H.S. attend the Technical Education Center otherwise known as TEC. Those students who attend TEC are in school for half of the day and in TEC for the other half. The TEC center is a way for students to learn the basics for certain careers

careers.*

while they are still in high school. Some students are even eligible for certification in their chosen career. Many students who go to TEC have the advantage of actually working in that field while they are in TEC. Students who are in TEC have the choice of anything from Business Services and Technology Cluster to Drafting and from Marketing to Cosmetology.

Teacher's Aides

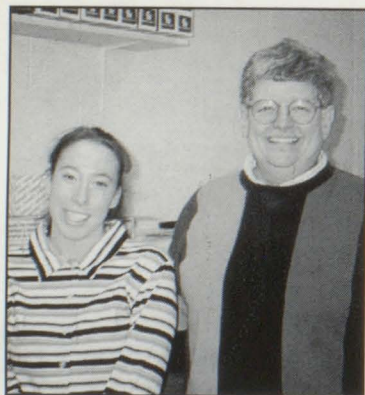

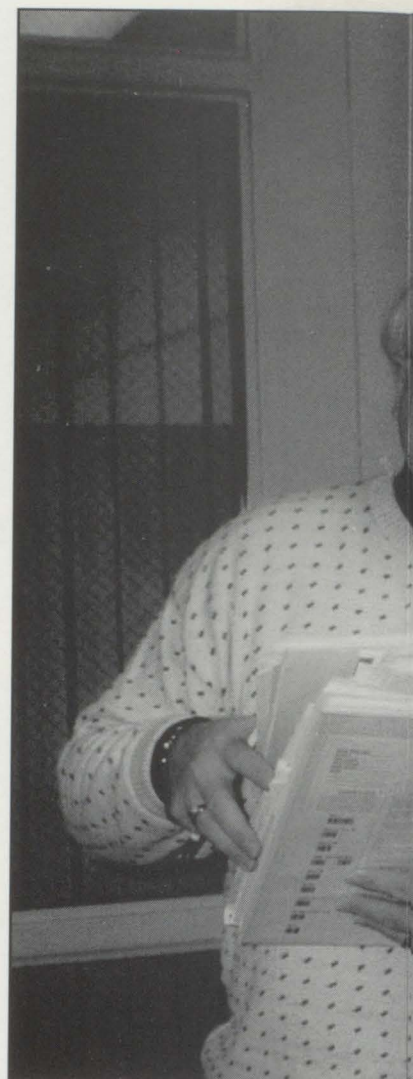

Students in their senior year can choose to be an aide to their favorite teacher. Teacher aides correct papers, make copies, and run various errands. To become a teacher aide you can talk to your counselor when scheduling for your senior year. Teacher aides are a big help and are greatly appreciated by the whole staff. This year the following seniors were Teacher Aides: Adam Ladensack, Alison Wyatt, Andrea Gold, Lindsay Perkins, Meredith Schoen, Laura DuBois, Rebecca Hudson, Chris Radomski, Jenna LaBuhn, Beth Tranchemontagne, Jackie Newsome, Ralph Onesko, Michelle Cross, Sarah Shull, Kyle Zimmerman, Matt Phelan, Kyle Jobin, Andrea Liebaert, Pat

Forgien Exchange Students

Some of our area families were honored to host the 1996-1997 exchange students. These exchange students are honored to have the chance to come to America.

These exchange students are very shy but they have a lot of comments. Alexey Yantchuk is in 12th grade, he's from Belrous. He says "after graduating from Marine City High School he plans to attend Belorussian University Computer of Science." He is also a member of Business Professionals of America. Claudia Berens is in 11th grade and she is from Germany. She says "I want to come back and take a semester at an American college." Cattelya Thongrong is in 11th grade and is from Thailand. She came to the U.S. because to she wants to better her english. Juan Pablo Romero is in 12th grade and he comes to us from

Spain. He says "I will return to Spain to go to college. I came to the U.S. for the experience and to learn english.

All of our exchange students participate in sports. Anything from basketball, tennis, volleyball, and track. They all said that they like America and are glad that they got the chance to come and get an experience of American High School.

So here at Marine City High School we are glad to have all of you. We hope we gave you the best impression of America and we hope you will come again.

In a New Country

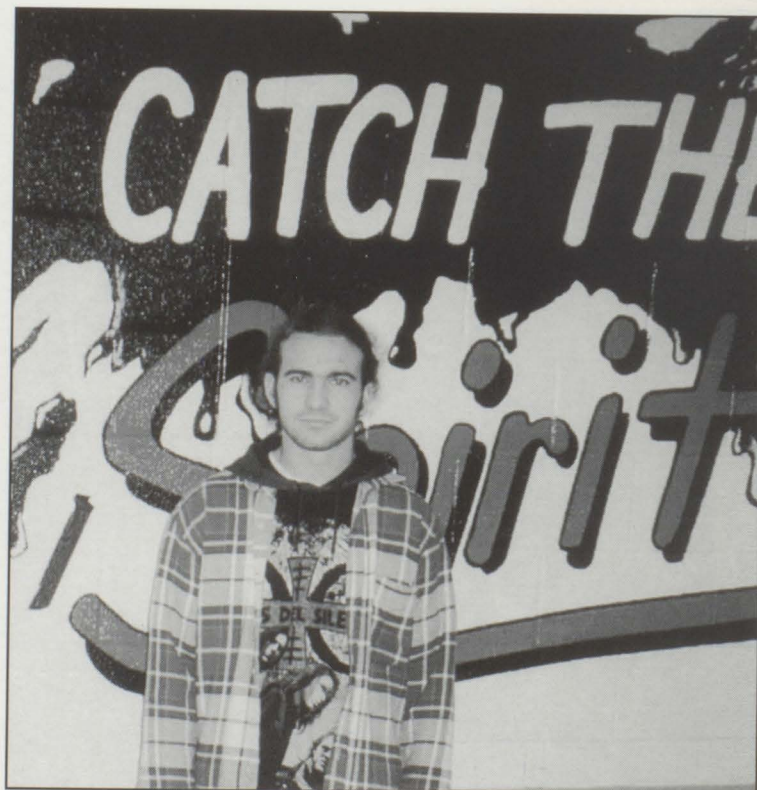

(l-r): Cattelya Thongrong, Claudia Berens, Juan Pablo Romero, Alexey Yantchuk are our exchange students for the '96 - '97 school year.

Each of the exchange students posed for a brief picture. (above) Alexey Yantchuk is a member of B.P.A. and he enjoys working on computers.

Above: Cattely Throng had her first experience with Halloween and she had lots of fun with her new friends from America. Above right: Juan Pablo Ramero posed for a picture. He like to play different sports and he ran cross country.

Back home Cattelya enjoys spending time with her friends. She lives in Thailand and has many friends there and now she also has many friends here. She says "I enjoy coming to school in America but I also miss going to school back home and seeing my friends there too."

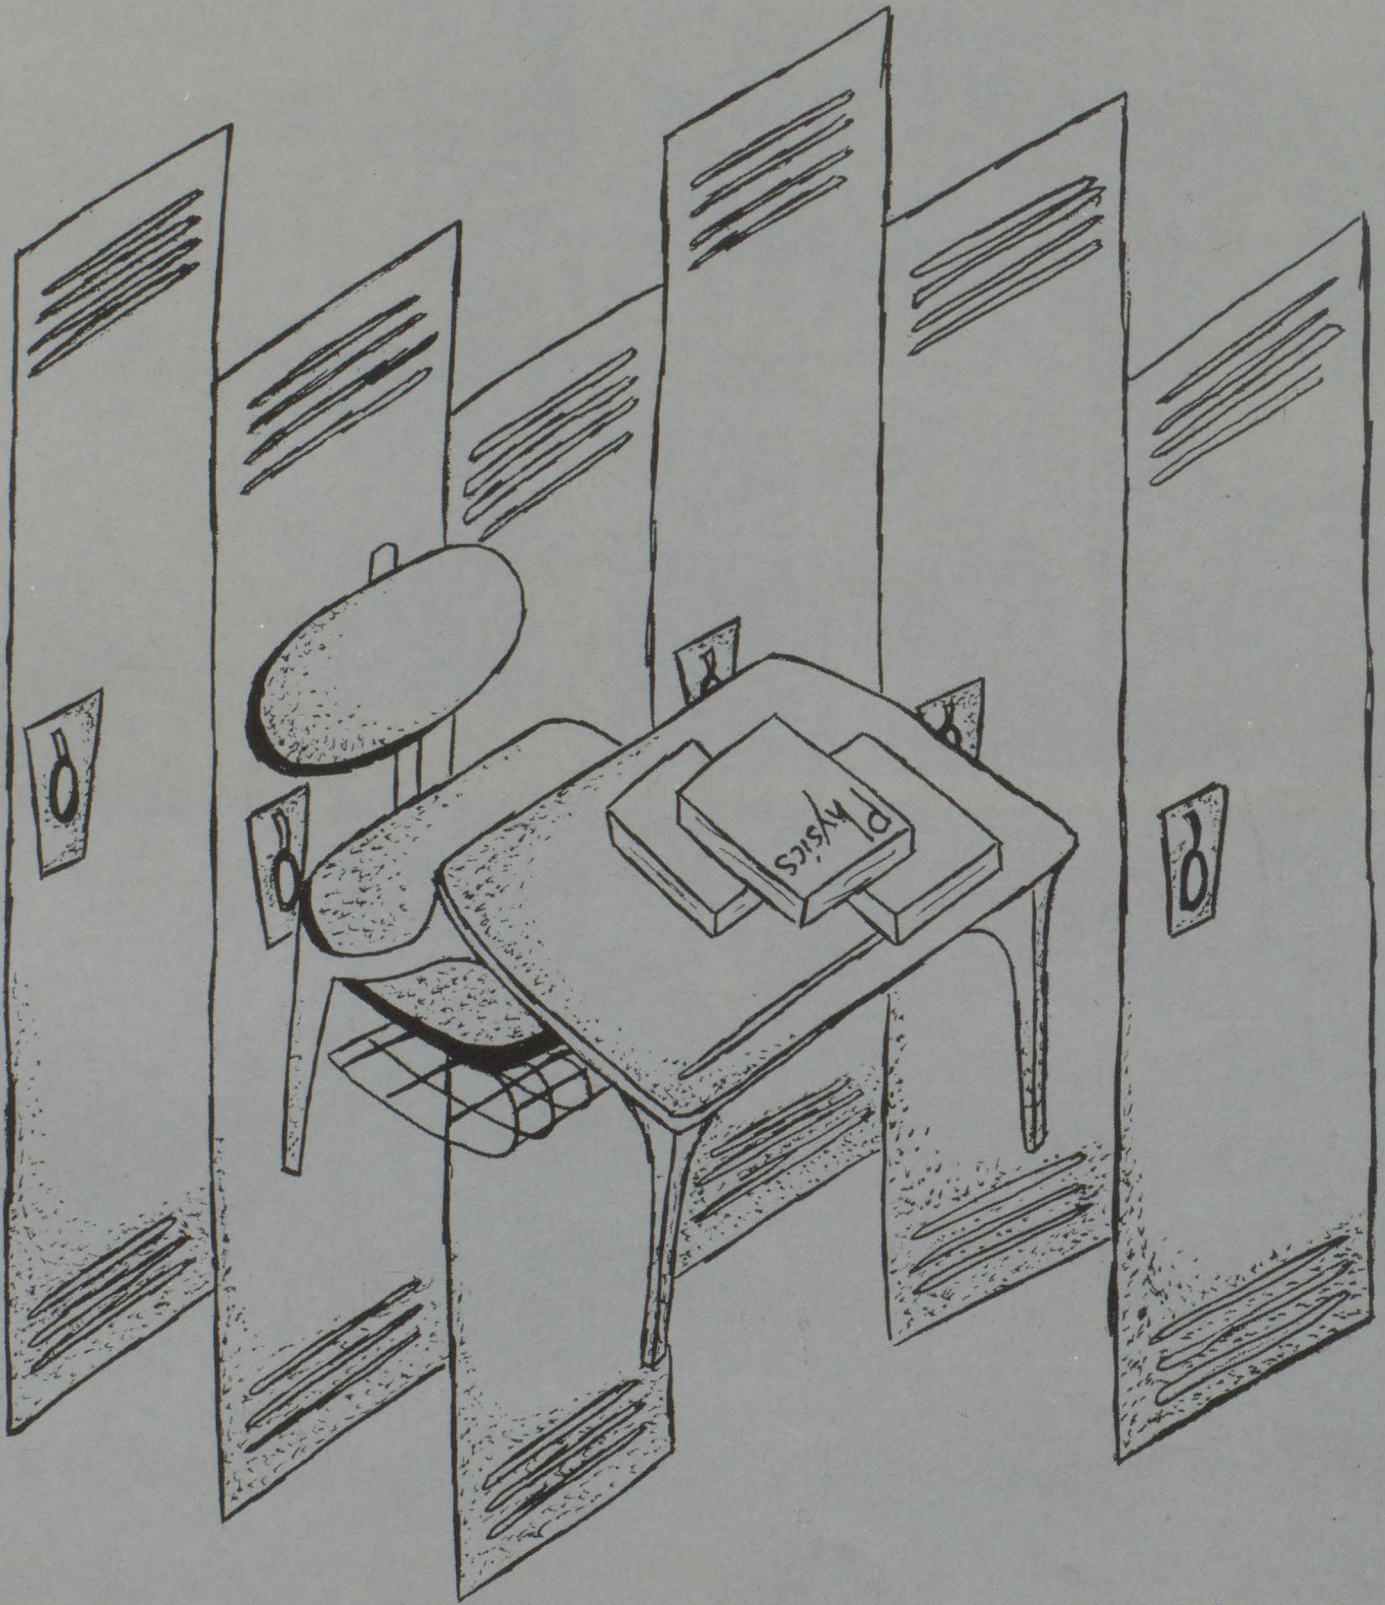

Claudia Berens likes many things about the US especially the fact that you can drive at 16. Claudia thinks that some things are too expensive here in the United States. She is staying with the Howes family is hosting her during her stay.

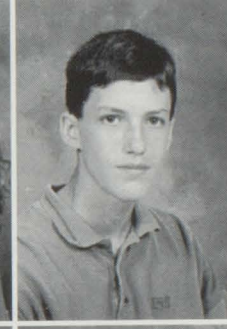

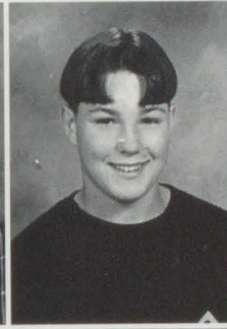

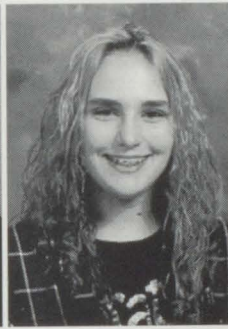

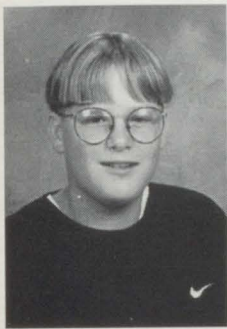

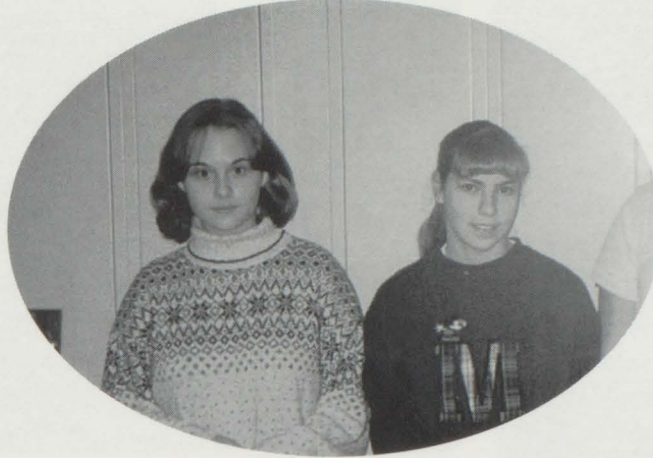

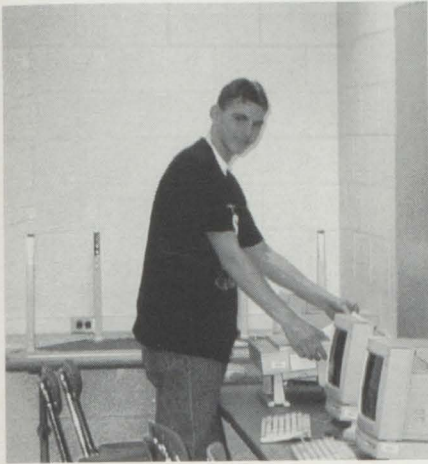

Left: One last group picture to remind them of their experience in America.

FLASHBACK 1997

Wonderwoman Stacey Yax poses with dual Batmen Kyle Zimmerman and Kyle Hamet.

Piston fan Cecil Reyes shows his brute!!

Jennifer Dandron and Lisa LaFata were attached at the hip even back then!!

Danielle Tebeau and Kelly Wilkie sport their middle school style!

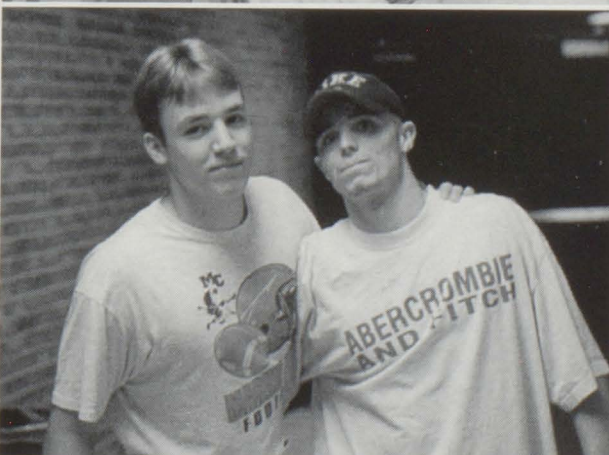

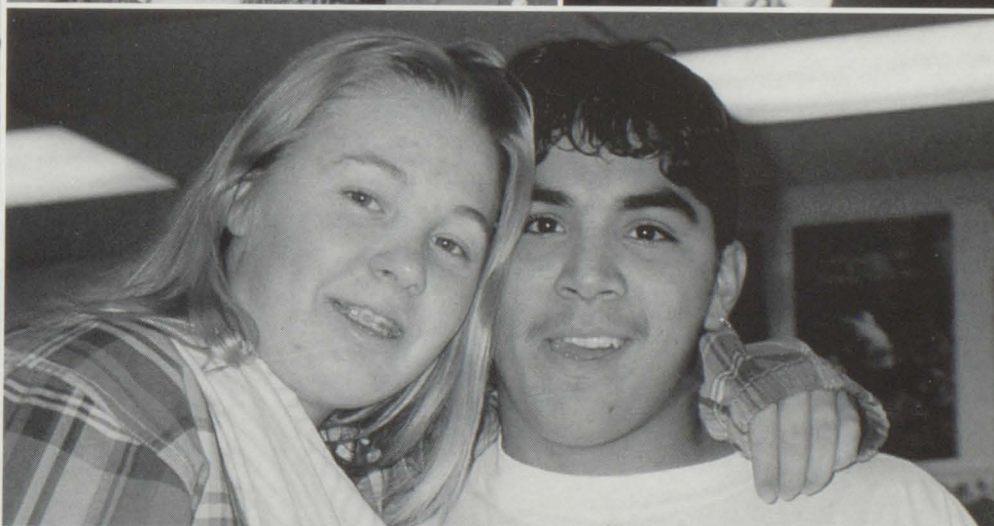

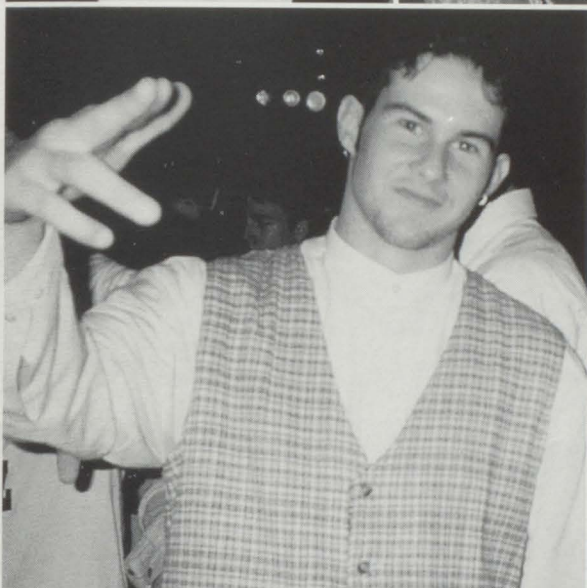

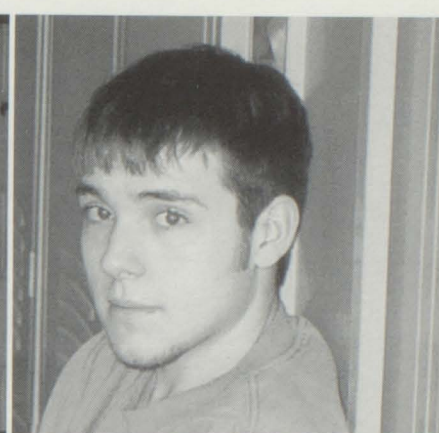

Top: Stacey Grace joins her cousins, Brent and Bryon Osterland on the walk to school. Nice hat Bryon, or is that Brent?? Right: Slightly mummified Heather Maloney and Jenee' Burns.

Just what the doctor ordered! Kim Kammer and Heidi Jones love their Dr. Pepper!

The cast of Mrs. Parson's 5th grade production of "The Wizard of Oz".

L: Kyle Zimmerman and Steve Pauli dread leaving high school and being apart. Adam Becker just laughs.

R: Danielle Tebeau, Cathy Alex, and Stacey Yax support their fellow Mariner's at a Marine City soccer game.

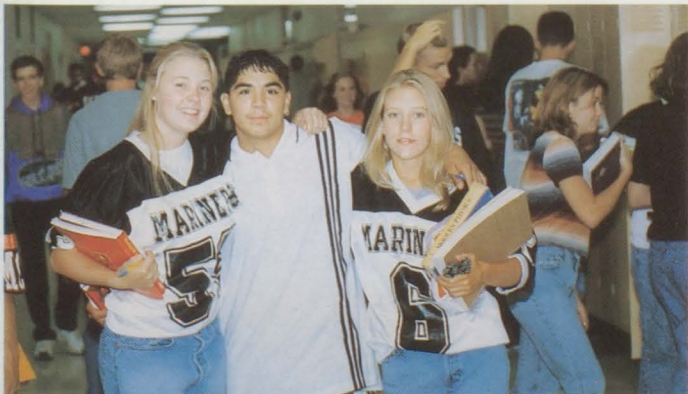

Kyle Hamet has no problem smiling for the camera.

Jack Treaster cuts out of class for a quick picture.

Phil Beier takes a break from his computer.

L: Jessica Hill, Cecil Reyes, and Lauren Cartwright pose for a pic between classes.

R: Kristin Herbst is dazzled by the bright light.

Every now and then as the days and years go by,
We look back and think of what we were,
What we are, and what we will be.
We have been a class of students,
A class of individuals, and a class of
Close friends.

We are now a class going for the first
Time into a world unknown to us.
Leaving behind the memory of
Best friends, school dances, and great
Football games.

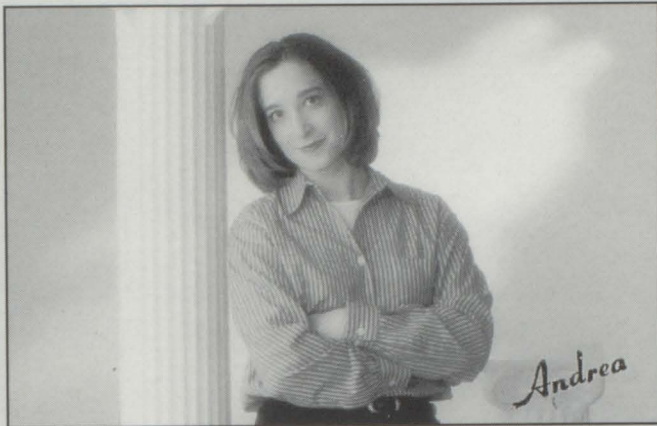

We will go on to lead our separate lives,
Having the experience of only our best memories.

As we walk down the halls one last time,
We will look behind us and see who
we were and what we've become over
The last four years.

We will look forward and see only
Our future outside these doors.
And at last we will look at ourselves
and remember that now and forever
We will remain together as the class of 1997.

— Jenee' Burns

Leading the Way . . .

Andrea Gold

Andrea has worked hard for the last four years to get a perfect G.P.A. Besides concentrating on her grades, she has many other time consuming commitments. She has been a class officer and on Student Government. Now, she is the president of St. Clair County Youth Advisory Council. Many clubs can claim Andrea as a member. She has participated in both SADD, Drama, and the National Honor Society. In her spare time, she competes on the Michigan Quarter Horse Association show circuit winning both state and national awards. Best Wishes!

Sarah has maintained her G.P.A. while being involved in many activities. She has earned the honor of Vice President of National Honor Society. She has been active in sports such as volleyball and track. Sarah has also been class Vice President for three years. Sarah can add a list of many clubs to her achievements such as SADD, Drama, and Powder Puff. She has successfully combined academics and school involvement. Sarah is on her way to U of M to study engineering. Good job and good luck Sarah!

Having a daughter like you makes being a parent especially rewarding for you at a wonderful time in your life- a time of dreams and new beginnings- and the promise of your future unfolding is an exciting thing to watch... And as you celebrate your graduation and come into your own, as you learn and grow and try new things, remember that you always have the love and support of family behind you. For you are the kind of daughter any parent would be glad to have, the kind of young woman who is always there to help and support others. And if happiness is gained by willingness to work hard and a warm caring attitude, then the world holds endless possibility for someone like you!

SPRING SPORTS

The lady mariners had a successful season placing third overall in their last year of the SCAL league. The team competed well together and also individually. Lenora Becker, Lisa LaFata and Beth Simek were voted this seasons captains. Five girls: Jackie Newsome, Amanda Ryan, Sarah Schull, Beth Simek, and Alison Wyatt received Iron Woman awards. Many players also took titles for 1st and 2nd All League. Also the team had a Regional winner in the 100m. hurdles Beth Simek.

Aside from the scores, the girls all had a fun season. Mr. Rombach and first time track coach Mr. Bladow allowed the girls the chance to compete successfully but also the chance to make new friendships.

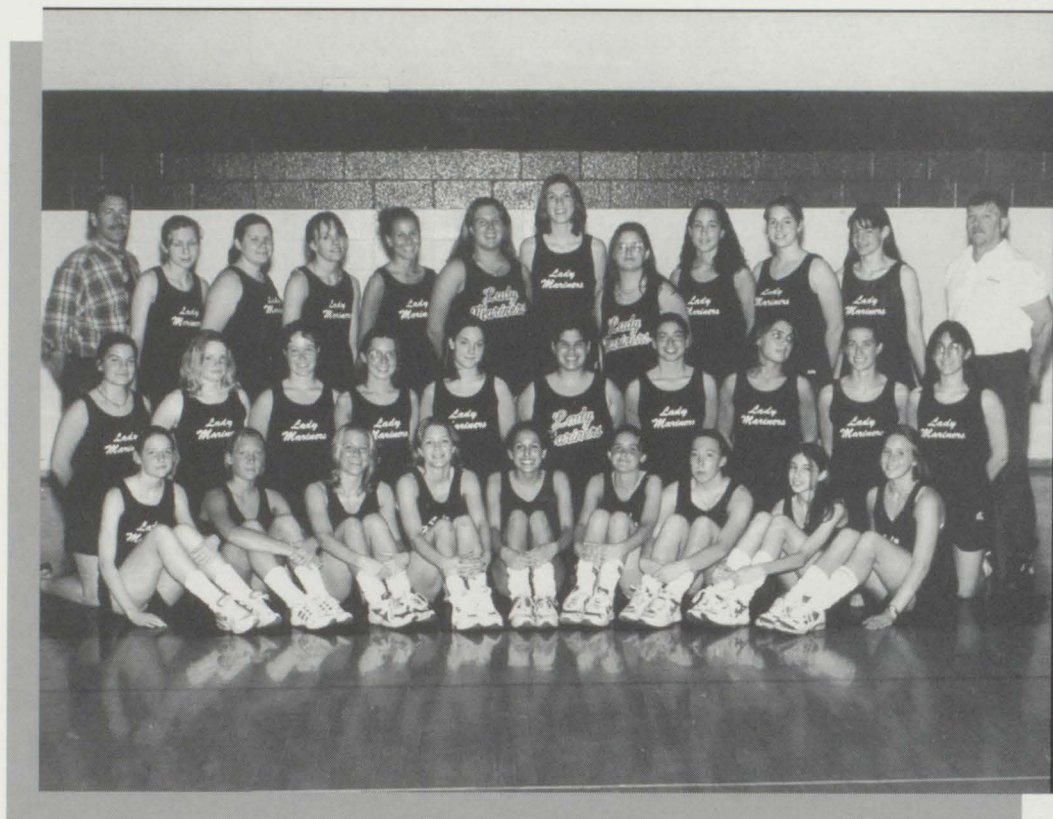

Unfortunately no meets could be held at this MCHS track due to construction but this did not ruin anyones spirit or ability.

With only three seniors leaving the team, there's a good chance for another successful season and possibly even better with tthe upcoming freshman.

Running Ahead

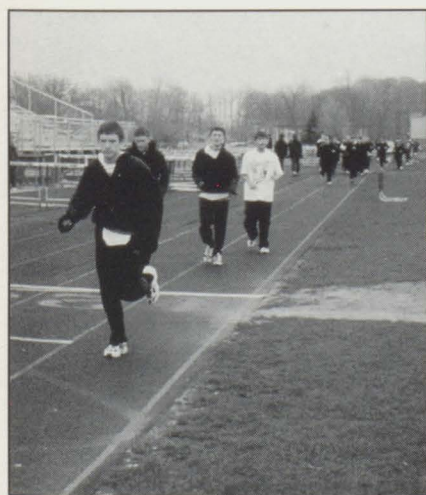

The boys track team had a successful season. They placed third in the dual meets and were the runner ups at the Port Huron relays out of sixteen teams. At the Muskrat Classic they were third out of eighteen. They qualified for seven events at the

state meet and broke five records for the season. The boys who made it to states were Warkentien, 100 and 200, Griffor, pole vault, and Carpenter, 300 IH, 1600, 800, and 3200 relay. Jason Copp and Dennis Dunn were voted most improved on the team. We are very proud of this year's teams and hope to see the success next year.

The girls on the J.V. softball team put forth a great effort this past season. They were defeated in all their games but they didn't let it get their spirits down.

Leading the team was pitcher Jennifer Sonnenfeld and catcher Andrea Bradford. Standing behind the team was Coach Alley.

The team put many hours of practice in and they tried their hardest. Their team work is what kept the going after each and every game. Great job girls!!

Homerun

The Varsity Softball team ended their season with a 17 win 15 losses record. The league record was 4 wins 6 losses. The girls gave their all in every game, trying to come out the very best. Many Seniors were lost, but Mr. Osterland picked up six very talented girls to replace those lost to graduation. These girls knew what had to be done and what

was expected of them and gave their all to achieve it. The team put forth many hours of practice working on drills, hitting, catching, pitching and running the plays. Many hours which showed up in their games. The girls worked very hard from the beginning to the end of the season and never gave up. Mr. Osterland coached a great team that knew how to work together. Good Luck Next Year Girls!

Tennis

Serving it up !

Teamwork and dedication kept the varsity tennis team together striving for a victory. With a positive attitude the boys tennis team captured 1st. place over St. Clair in the last S.C.A.L. tournament ever! The success of the team is due to the skills of the boys and also by the support of their

coach Paul Dimmer. Matt Musham and Adam Becker took 1st. at Regionals while all the doubles received 1st. at S.C.A.L. To help the team thought the hard times were the captains, Ryan Vatiem and Matt Biscorner. The Mariner team was well respected by tennis teams all over the region due to their strong finish at invitationals. "It was a great season and winning S.C.A.L. was the highlight, keep up the good work." - Coach Dimmer.

The JV Boys Baseball did really great this season. They won 7 games all together. Mr. Longuski was the coach along with Mr. Wilkie as the assistant coach. The two coaches did a wonderful job with the guys! Some of the guys will be moved up to

Varsity next season. Thanks to the great coaching they've been given enough skill to move up. The team has Freshmen and Sophomores on it and they all work together very well. They show a lot of spirit and determination. Good luck next season!

9th. grade football

Fire Up

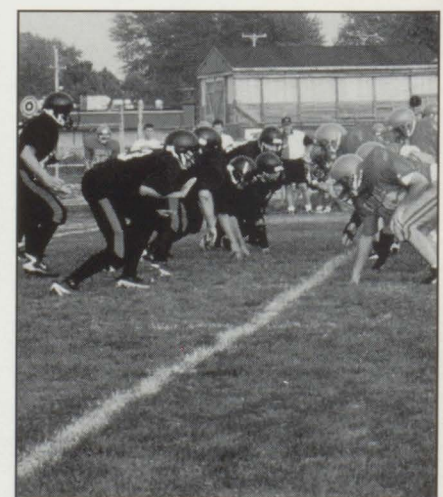

The ninth grade football team had a good year, winning four of their nine games. This was the teams first year of competitive tackle football. The team put forth a great effort throughout the season. Their coach, (Mr. Tim Gerenz) said, " they progressed nicely throughout the season."

The team as a whole put forth hard work and many hours of practice. When asked to pick the most valuable player for this season coach Gerenz said , "I would say for leadership and hard work it would be quarterback Jim McAnally. They all contributed to every win and they all had to stick together through every loss. The boys kept good attitudes and high spirits and this brought them some great wins." Way to go guys.

The 1996 Varsity Football team were very dedicated this season. Led by Kyle Zimmerman, Steve Pauli, Scott Kade, and Ralph Onesko the Mariners practiced hard and played even harder. With a record of 9-2, the Mariners accomplished many of there goals, including SCAL, and District championship titles. The biggest highlight of the season was when the Mariners ended an 11 year slump over the Vikings. Marine City defeated Marysville in the first round of the playoffs with a score of 12-7. By winning the first game it sent the Mariners into the second round to face Allen Park. The Mariners gave it all they could but they still came up shot in the end.

BASKETBALL

The J.V. girls basketball team had a great season this year. They started their season with a win against Armada with a score of 54 to 14. They continued this winning streak through out most of the season. The only loss that they suffered was their second game against Marysville. They were League champions with a 13-1 record. Their overall record was 19-1. They did a great job and put forth an excellent effort.

The boys cross country team had a good season. With runners putting their minds to it and running hard to make every meet a good one. Winning 9 of their meets and having Greg Wirth qualify for individual meets makes the team very proud when they look back on the season. With Coach Maxwell there to cheer them on and having good teamwork makes the team say it's all worth while. Good job guys and good luck again next year.

Girls Cross Country

Over Hills

This year the girls cross country had a long hard season. Injury was no stranger to the team, they started at nine runners and one point dropped to two. They never gave up hope by the end of the season they were running seven girls again. What the girls lacked in running they made up for in spirit. They attended meets while injured and cheered on

the boys. The team captains were Danielle Tebeau and Kristi Nichols they also were aided by last years captain April DeMist. The team had a hard year but gained new members and a good time was had by all.

This was an interesting season for the golf team. Fortunately they were up to Par. Not only was it their first year in the MAC, but also their first year with Rattle Run as the team's home course. The team, however, rose to the occasion and ended their season with an over all record of 10 wins and 4 losses and a MAC GOLD record of 8 wins and 2 losses. The Mariners finished 2nd in the league. Josh Pius made All Area, 1st Team, and was voted the team's most valuable player. Josh Pius and Jason Hurlburt were both All Conference, and Jason Endres was voted most improved. Nice job guys!

JV Cheerleading

Go, Fight, Win !!!

The JV Cheerleading team started this season long before school started, by attending summer camp. The camp was at Alma college and lasted for four days. This camp was put on by Champion cheer. All their hard work paid off when they cheered at the 1996 homecoming game vs. Richmond. The field was decorated by the J.V. team and it looked great !

This year over 100 little girls showed up for the little cheer day, which the girls helped to put on. There was a lot of work to do to get all the little girls ready. this was a big success sense all the girls showed up in the pouring rain. The show went on anyways and made many mothers proud.

This year the Varsity Cheerleaders did a great job of showing their spirit and cheering their team to the playoffs.

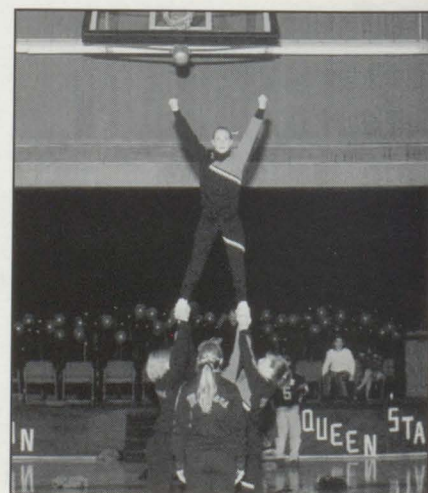

These girls practice hard and it shows. It takes more than athletic ability and felxibility to be a good cheerleader. Teamwork, Practice and spirit are all part of the sport. Good job girls, and keep up the good work!

WINTER SPORTS

The Marine City Westling program was reinstated in the 96-97 school year. Struggling to regroup the Mariners were lead by captains Joe Krantz, Dennis Dunn, and Matt Senger. Through out the season the Mariners tried their hardest to regain the wrestling statis. By the end of the season the Mariners showed improvement, taking the MVP award was Joe Krantz. The most improved players were Erik Ketchem, for J.V and John Ikera for Var. After a hard year the Mariner Wrestling team is ready and waiting for the next season.

SWIMMING

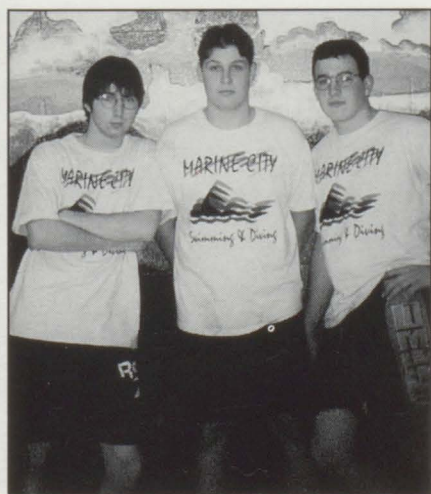

Carpe-Diem!

This year brought about many changes for the Marine City Swimming and Diving Teams. It was the team's first season competing in the MAC Area Gold Division, and marked the arrival of Assistant Coach Melissa Wuchte and Diving Coach Chuck Daniels. The 1996-1997 season also served as a reconstruction period for the team, introducing many freshmen, whom all showed much promise for the team. This year the team finished 3rd overall in dual meets and came in 5th at the Divisional. Fantastic efforts were made by all, nice job fellas!

The Varsity Basketball team did a great job during the 96-97 season. There were some new faces on the team this year along with a few returning seniors. The hard work and dedication that the team put forth shows through during their performance and long hours practicing. With harder competition having now entered the MAC division, this year's team stayed strong and held their own through the tough competition. The guys had a hard season, but it's the long hours of practice that finally reveals the talents that each player on the team possessed. The determination showed every time the guys took the court and their talents shined through. These guys had a great season and much more is expected next year. Great Job and Good Luck Next Year!

The J.V. Team had a great season this year. This was the first year that they participated in the MAC Conference and that meant harder competition for them than years past. "The team put in a lot of effort and are hard working," said Mr. Westerhof. "The team showed improvement throughout the season and they had a great attitude." We hope to see the same next year.

Boys 9th Grade Basketball

The 9th Grade Basketball team worked very hard this season. The team leaders are Jordan Vantiem and Dave Dubois. Larry Carpenter and Bill Scott are the other constant contributors. Coach Austin says, "At mid season we are 2-4 but improving and playing better together every game. I'm looking forward to the rest of the season because I think they're a fun bunch and a pleasure to work with."

Senior captains Angela Soltys, Heather Maloney, and Tabitha Itrich led the fearless 1996-1997 Varsity Cheerleaders through a great season. While trying to keep school spirit up, the girls also attended 10 competitions. The girls never gave up and weren't afraid to try anything new, they overcame obstacles and proved that hard work does pay off. Serious effort was contributed by both the girls and the devoted coach Mrs. Burmann. The girls give a lot of time out of their week to practice. They are an example of some of Marine City's finest athletes. Congratulations girls, you've done a great job!

JV Volleyball

The junior varsity volleyball team continued the winning tradition at Marine City High School by compiling an overall season record of 14-9-4. Jeremy Manion was the new J.V. Volleyball coach. Mr. Manion did an excellent job of working with the girls. At the St. Clair Invitational they went 2-2-1, and at the Marysville Invitational they were 1-2-1. The team members look forward to competing on the varsity level next year.

The Varsity Volleyball team had a great 96-97 season. These girls went up against some fierce competition now that they have entered the MAC division. Though the competition may have been tough the girls came out holding their heads high every time. The team worked together and individually to improve their game. The way these girls play shows determination, spirit and teamwork. Volleyball is a fast pace game where every jump, set and spike counts and this year's team knew how to use that to their advantage. The girls had a little more than other team and it showed when they played. If you watch these girls play, you can see they love the game and that's all there is to it. Great Job and Good Luck Next Year!

A LITTLE SOMETHING FOR YOU COLLEGE BOUND STUDENTS

A few ways to freak out your roommates.

1. Spend all your money on Transformers. Play with them at night. If your roommate says anything, tell him/her with a straight face "They're more than meets the eye."
2. Put your mattress underneath your bed. Sleep down under there and pile your dirty laundry on the empty bedframe. If your roommate comments, mutter "Gotta save space" while twitching violently.
3. Give each of your walls a different name. Whenever you can't answer a problem, ask each of your walls. Write down their responses, then ask your ceiling for the final answer. Complain to your roommate that you don't trust your ceiling.
4. Take all your roommates furniture and build a fort. Guard it for an entire weekend.
5. If you know that s/he is in the room, come barging in out of breath. Ask if they saw a fat bald naked Tibetan man run through carrying a hundred dollar bill. Run back out.
6. Hang stuffed animals with nooses from your ceiling. Whenever you walk by them mutter "You shouldn't have done that to me."
7. Learn to levitate. While your roommate is looking away, float up out of your seat. When s/he turns to look, fall back down and grin.
8. Plant grass in the carpet and scream at your roommate every time s/he takes a step in the room. Put up a 'Please don't walk on the grass' sign.
9. Read lots of science fiction and begin to act as though you think your roommate is an alien in disguise. Jump on him/her and try to rip off the humanoid mask the alien is wearing.
10. Sleep face down under your mattress on a bunkbed and stare at your roommate all night through the springs.
11. Wear ammonia as a cologne.
12. Mount a wall-sized mirror on your wall and then ask your roommate not to look at it because demonic forces from the other side will escape into this world if s/he does.
13. Build an antfarm. Let your ants have "jailbreaks". Then ask your roommate to help you hunt down the renegade ants.
14. Build a snowman out of big balls of toilet paper. Throw water on it and begin to cry that the snowman is melting.

Things We Really Need To Know...

As a concerned member of the student body, I am exceedingly interested in the manner in which fellow students respond to the following practical, intelligent, everyday questions. Keeping this in mind, I compiled a list of questions varying in depth and placed them in chronological order according to their interrogativeness. Here goes...

- 1) What is your favorite Dr. Seuss book?
A) Oh, The Places You Go
- 2) Do you floss regularly?
A) Not really, just twice every day.
- 3) Do you know anyone with a peg leg?
A) Yes, as a matter of fact I do!
- 4) Who was your favorite Amigo... Chevy Chase, Steve Martin, or Martin Short?
A) I have to say Flash (S. Martin), he acted like a real Mexican.
- 5) Have you ever touched a gecko?
A) No!
- 6) Can you rhyme an actual word with cucumber?
A) Yes, tuna fish.
- 7) Which vegetable do you find most savory?
A) I'd have to say the avocado.

BE GOOD TO YOUR PLATYPUS (ornithorhynchus anatinus)

By Nathan Hauke

I like apricots, but that doesn't mean I would approve of them resorting to cannibalism. I can understand why they don't eat chicken (yuck!) and I can understand how apricots might appeal to each other. There are numerous gourmet apricots recipes including: apricots-over-easy, apricot alfredo, stewed apricots, apricot cabob, apricot enchiladas, and my personal favorite...shag apricots (a primo arrangement of glazed apricots smothered in a large square of used carpeting).

Still, I wonder if they might find an alternative to this anthropophagous behavior. Maybe they could prey on kangaroos or platypuses or such. I think this wouldn't too heavily effect the ecosystem. I hear that platypuses are near the bottom of the food chain and that they are pientious, as are kangaroos (who wouldn't like to snack on a joey every now and then?)

If only they would learn to work together! I have complete confidence in their problem-solving abilities and I'm sure a three-toed-sloth would be quite tasty. I mean really, millions of little orange fruits dining on each other. How absurd! What a silly fruit!

Reflecting Back...

"Reflections" was published by Taylor Publishing in Dallas, Texas. All film was developed and supplied by Prestige Portraits in Royal Oak. 450 copies of volume #77 were published and sold. The cost of producing the yearbook was accomplished by selling advertisements, parent pages, and yearbooks. A special thank you goes out to Taylor local rep. Sam Slis, in-plant rep. Pam Ringold, Prestige rep. Toni Brown, yearbook advisor Mr. Bladow, and all the companies and organizations who helped with the production of the '96-'97 yearbook. I would like to send a special thank you to the great staff I was fortunate to work with, it was a great experience!
